SIPI recognizes alcohol and drug abuse as a potential health, safety and security problem to the student and the SIPI community. As such, on June 3, 1991, the SIPI Board of Regents passed Resolution 148 entitled "ZERO Tolerance" an alcohol and illegal drug policy.

Article # 1 is divided into three parts; 1-A, 1-B and 1-C, each carries equal consequences; if a student violates any part of the articles and found guilty, suspension from the Lodge will occur. The student will not be eligible for the Lodge privileges for the remainder of the trimester and the trimester following. If the student is a commuter, he/she will be placed on special restriction and/or suspended from SIPI. If the student is reinstated, as either a commuter or resident student, the student will be placed on a contract and must enroll and participate in the 12 feather Counseling Program.
