All courses delivered
ONLINE!

2021 Spring Trimester Information

Begins: January 6, 2021 • Ends: April 16, 2021

IMPORTANT INFORMATION ABOUT THE 2021 SPRING TRIMESTER

- **Residential Halls:** All residential halls will remain closed.
- **Course Format:** All courses will be delivered online.
- **Limited Hybrid Format:** A hybrid format will be offered to eligible Natural Resources and Vision Care students who require hands on learning to either graduate or demonstrate academic progress. On-campus classes will be offered the last 3 weeks of the trimester. Eligible students will be contacted - students will receive assistance with off campus housing, transportation, and meals.
- **Student Fees:** NO COST! All student fees are waived.
- **Laptops and/or Hotspots:** SIPI will provide equipment to new and/or readmit full-time students needing assistance.
*Students must request these items via the online student intake form in the SIPI website *
- **Student Support Services:** All services will be available via email, Zoom, and Brightspace.
- **New Student Orientation:** Orientation will take place online. Students will receive information with admissions notice.
- **HiSet Offerings (Limited Enrollment):** Contact Jim Snyder at James.Snyder@bie.edu
